How to Pack for Camp

- Label all clothes and items.
- Choose your container: We highly recommend a cheap clear plastic storage bin no larger than 14 inches tall. A sturdy suitcase, trunk or comforter clear plastic zip up bag will work as well.
- Pack clothes on bottom, with your shoes and toiletry bag on top.
- Put your towels, sleeping bag, blanket, sheets, and pillows in your laundry bag.

Do Not Pack

- Do not pack flip-flops except for shower use. Only tennis shoes or shoes with a back heel strap are allowed outside of showers.
- Do not pack any electronics, including computers, phones, and gaming devices.
- Do not pack anything that could be considered dangerous, including knives, guns, and fireworks.
- Do not pack any drugs and medicine not prescribed by a doctor, including any tobacco, cigarettes, e-cigarettes, jules, vapes, alcohol, ibuprofen, Tylenol, etc.

* All bags are subject to search at any time by staff members. *
